PRODUCT HIGHLIGHTS

MADE IN ITALY

Proudly designed and made in our own factory, the ECF02 is a symbol of coffee heritage and expertise.

THERMOBLOCK SYSTEM

Super-fast heat-up time - 40 seconds from switching on. Fast temperature adjustment from coffee (84°C) to steam (100°C) in just 12 seconds.

15 BAR PUMP

The combination of a pressurised basket and 15 Bar pressure, you will be able to achieve optimal coffee extraction to produce a perfect espresso.

EASY 4-BUTTON OPERATION

A simple four button system that allows you to access the six functions that this machine has to offer.

STAINLESS STEEL STEAM WAND

Easily texture your milk with the single point stainless steel steam wand and utilise two different steam intensities to achieve your desired level of microfoam.

NOTE: All plastic material that comes into contact with food or water is BPA free
