

PRODUCT HIGHLIGHTS

HIGH POWER MOTOR WITH SMOOTH START

800 watt motor with smooth start – begins slowly to reduce sudden bursts and accelerates smoothly to reach the selected speed.

STAINLESS STEEL DUAL BLADES

Long-lasting heavy duty blades, removable for easy cleaning.

4 PRE-SET PROGRAMS

ICE CRUSH - makes light work of frappes, granita and slushies.

SMOOTHIE - automatic variable speed to ensure dense and creamy textures.

GREEN SMOOTHIE - utilises the full power of the machine to break down the fibres of ingredients like kale and spinach.

AUTOCLEAN - After use, place water and a small amount of dish soap into the jug and let the machine do the rest.

BPA-FREE TRITAN™ JUG

Lightweight, super-strong and dishwasher-safe Tritan™ jug with non-drip spout.

BLF03PSGAU Blender

FEATURES

Dimensions	197mmW x 163mmD x 397mmH
Motor power	800W
Jug capacity	1.5lt
Body material	Die-cast aluminium
Programs	Smoothie Green smoothie Ice crush Auto clean
Number of speeds	4
Functions	Pulse
Safety	Anti-slip feet
Blade material	Stainless steel
Power	800W, 220-240V, 50/60Hz
