#### PERFECT BLEND OF DESIGN & FUNCTIONALITY

Like other timeless designs, the original Smeg FAB refrigerator is more than just a mere fridge. It's the focal point of the kitchen, bringing together unquestionable style and premium performance. Always evocative and eclectic, FAB fridges have become standard bearers for "Made in Italy" design all over the world with the perfect blend of style and functionality.

#### ELECTRONIC TEMPERATURE CONTROL

Set the optimal conditions for a variety of food and beverages with Smeg's electronic temperature control display. At the touch of a button, accurately monitor temperature for fridge and freezer with a simple to use dial control.

#### LIFE PLUS 0°C DRAWER

This drawer provides a controlled temperature zone for better and longer preservation of perishable food such as meat, fish and dairy products.

#### MULTI-FLOW COOLING SYSTEM

MultiFlow accelerated air circulation technology provides a constant temperature in all section of the refrigerator, except for the Fresh Plus Zone where the temperature is maintained around 0°C. Compared to conventional systems, the multi-flow cooling system delivers the most efficient cooling of food, keeping the freshness, aroma, and nutrients of fruit, vegetables, and meat much longer.
