

DWAU6224N4 SMEG MATTE BLACK UNDERBENCH DISHWASHER

ORBITAL WASH SYSTEM

Smeg's orbital wash system has a major spray arm and satellite spray arm which spins ten times for every single revolution of the major spray arm to ensure water is thoroughly distributed in-between every piece in the wash for exceptional results.

HYGIENE 99.9%

High-temperature washing programme. The 75° rinse guarantees the removal of 99.9% of germs and bacteria, making it ideal for sanitising cutting boards and baby's bottles.

DRY ASSIST + AUTO DOOR OPENING

In addition to saving energy, it ensures perfect drying of the dishes by opening the door automatically at the end of the wash cycle

FULL EXPRESS 60'

The Full Express 60' program is designed to wash and dry a full load of crockery and glassware in 1 hour, making it ideal for everyday use.

DELAY TIMER

Every Smeg dishwasher has a delay start option, which allows you to operate the machine during periods of off-peak or lower energy tariffs. The combination of excellent water and energy savings combined with time of use can ensure much lower running costs.

EAN 8017709345891

Size	598mmW x 570mmD x 818 - 888mmH
Capacity	14 place settings
Finish	Matte Black
Display	LED lights, progress sequence indicator
